Subject: XGCS4L (Boccard) models similarity declaration.

FCC ID or Grantee Code: 2BCVYXGCS4L

We, TMSS France (new beneficiary), hereby certify that all XGCS4L models listed below:

Model Type	Description
XGCS490B201	model with Modbus communication
XGCS49LB201	model with Modbus communication and customer LEDs

have not undergone any modification during the complete transfer of the FCC certificates, from the company Schneider Electric Industries France L'Isle d'Espagnac (original beneficiary).

Part Type	Similarity status (between product versions)
Enclosure parts	same plastic body, same cable, plug and gasket
Electronic parts	same circuit board and associated BoM
Radio parts	same radio-emitting block and associated antenna

We certify that all references within this range only differ from enclosure materials colour, mechanical features (and connection mode) and software applicative functionalities (not linked to radio emissions).

These differences have no impact on radio characteristics.

Sincerely,

6 June 2024

By *Frederic CORAZZA – Products Certification Manager*
