**Long-term confidentiality:**

The documents indicated as long-term confidential contain detailed system and equipment description and related information about the product which Sandvik Mining and Construction Oy considers to be proprietary, confidential and a custom design and the information is not publicly available.

Since the design is a basis from which future technological products will evolve, Sandvik Mining and Construction Oy considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
