RE: Request for Change in ID

Telit Communications SpA Original FCC ID: RI7ME910G1WW  
Original Grant Date: 03/24/2020  
Easymetering, LLC. New FCC ID: 2BD5W-I210-ME9-SP

To Whom It May Concern:

Easymetering, LLC. verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries Telit Communications SpA brand, the equipment bearing the changed identification carries Easymetering, LLC. brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.

Regards,

A handwritten signature in black ink, appearing to read "Byron Rojas", written over a faint, larger version of the signature.
