FOR THE VALUE INDEX

USER MANUAL

nofo

FOR THE
VALVE INDEX

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The operation of this device is prohibited on oil platforms, cars, trains, boats, and aircraft, except that operation of this device is permitted in large aircraft while flying above 10,000 feet.

operation of transmitters in the 5.925-7.125 GHz band is prohibited for control of or communication with unmanned aircraft systems.

This device complies with ISED Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Operation in the band is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems.

Le présent appareil est conforme aux CNR d'ISDE Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) l'appareil ne doit pas produire de brouillage, et (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Les appareils dans la bande 5925-7125 MHz ne doivent pas être utilisés pour contrôler des systèmes d'aéronefs sans pilote ou pour communiquer avec de tels systèmes.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Hereby, Nofio Pty Ltd. declares that this Nofio Wireless Adapter (P008H and P008B) is in compliance with the essential requirements and other relevant provisions of RE Directive 2014/53/EU. The declaration of conformity may be consulted at www.nofio.co/DoC.pdf.

indoor use only

RED Declaration of Conformity (DoC)

Unique identification of this DoC:

We,

Nofio Pty Ltd

55 Barry Parade Fortitude Valley QLD 4006 AUSTRALIA

declare under our sole responsibility that the product:

product name: Nofio wireless adapter

trade name: Nofio

type or model: P008B, P008H

relevant supplementary information:

(e.g. lot, batch or serial number, sources and numbers of items)

with the essential requirements and

other relevant requirements of the RED Directive (2014/53/EU).

The product is in conformity with the following standards and/or other normative documents:

HEALTH & SAFETY (Art. 3(1)(a)): EN IEC 62368-1:2020/A11:2020, EN 50665:2017, EN 62311:2008

EMC (Art. 3(1)(b)): EN 301 489-1 V2.2.3:2019; EN 301 489-17 V3.2.4:2020; EN 55032:2015/A11:2020, EN 55035:2017/A11:2020

SPECTRUM (Art. 3(2)): EN 303 687 V1.1.1:2023

OTHER (incl. Art. 3(3) and voluntary specs):

The conformity assessment procedure referred to Article 17 and Annex III of the RED directive has been followed with involvement of Notified Body.

Notified Body: TÜV SÜD Danmark ApS

Identification number: 2443

Certificate No: DK-RED002882 i01

Other Union harmonization legislation (where applicable):
