Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) component, labeled 'View 6'. The board is populated with various electronic components, including integrated circuits, capacitors, and connectors. It is positioned next to a black ruler with white markings in millimeters, showing a scale from 0 to 100 mm. The background is a blue textured surface.
Solder Board-Component View 7	 A photograph of the same green PCB component, labeled 'View 7', showing the reverse side. The board features a circular solder mask pattern in the center and several solder joints. It is placed next to a black ruler with white markings in millimeters, showing a scale from 0 to 100 mm. The background is a blue textured surface.

Solder Board-Component View 8	 A photograph of a green printed circuit board (PCB) component, labeled 'WND-5101C DISP-240121', mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component is rectangular and features a central gold-colored connector.
Solder Board-Component View 9	 A photograph of a white printed circuit board (PCB) component, labeled 'WND-5101C DISP-240121', mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component is rectangular and features a central gold-colored connector.
