

Hypertechnologie Ciara Inc. Ciara Technologies Inc

Product Similarity Declaration

Product name: Notebook PC

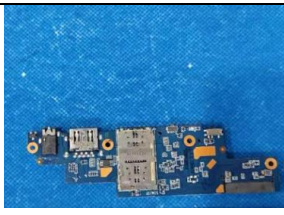

Model name: CRIUS CO310-G1, CRIUS CO310-G1-BL,

CRIUS N320-G1, CRIUS N320-G1-BL,

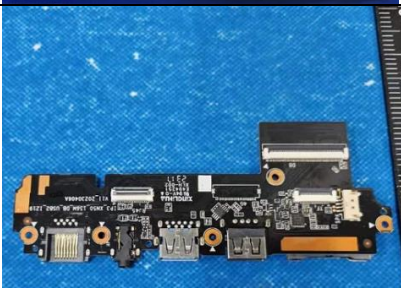

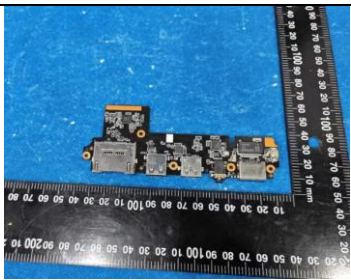

CRLUS N310-G1, CRLUS N310-G1-BL

FCC ID: 2BDS2-CRIUS

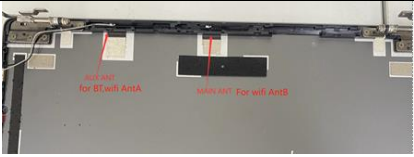

We (Hypertechnologie Ciara Inc. Ciara Technologies Inc) hereby state that the models are identical in the Motherboard and Circuit principle except different antenna gain, antenna location, HVIN, appearance, keyboard, Interface Board, battery a. More details please refer to below table.

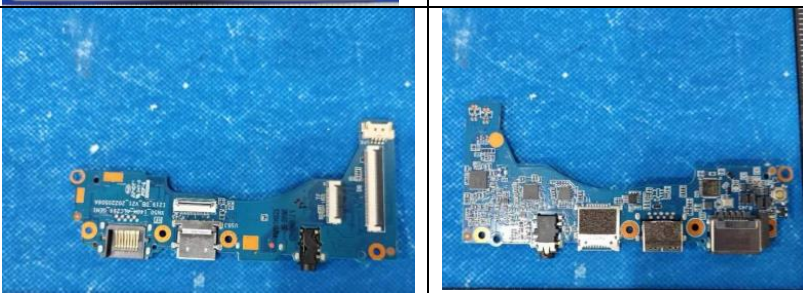

Model	CRIUS CO310-G1, CRIUS CO310-G1-BL	
HVIN	CO310-G1	
Appearance		
Keyboard		
Interface Board		
Battery		

Hypertechnologie Ciara Inc. Ciara Technologies Inc

Antenna location		
Model	CRIUS N320-G1, CRIUS N320-G1-BL	
HVIN	N320-G1	
Appearance		
Keyboard		
Interface Board	 	
Battery		

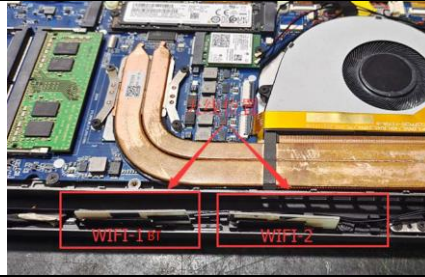

Hypertechnologie Ciara Inc. Ciara Technologies Inc

Antenna location	 A photograph of the internal components of a device, showing the antenna locations. Red lines point to two locations labeled 'Antenna for BT/WiFi AntA' and 'Antenna for WiFi AntB'.	
------------------	--	--

Model	CRIUS N310-G1, CRIUS N310-G1-BL	
HVIN	N310-G1	
Appearance	 A photograph showing the back of a black laptop, highlighting the ventilation grilles.	
Keyboard	 A photograph showing the front of a black laptop, including the keyboard and touchpad. A yellow measuring tape is visible on the left side.	
Interface Board	 Two photographs showing the interface board components. The left image shows the board with various connectors and components. The right image shows the board with various connectors and components.	
Battery	 A photograph showing the battery unit, which is a large, rectangular, black component with a label. A ruler is visible on the left side.
