

Product Specifications

Processor	12 th Gen Intel® Alder Lake N100	
Memory	RAM	8 GB
Storage	128 GB SSD	
Display	Size : 35.81 cm (14.1) Resolution : 1366 x 768 HD TN	
Networking	WiFi IEEE 802.11 b/g/n/ac 2.4G&5G BT 5.0	
Audio Output	3.5mm headphone jack	
Connectivity	2 x USB3.0 1 x USB3.0 Type - C 1 x Micro SD Card Slot	
HDMI	1 x Mini HDMI	
Speaker	2 x 1W Speakers	
Camera	2.0 MP	
Operating System	WINDOWS 11 Home	
Power	Rechargeable Li-ion battery Power Adapter (DC IN 12V/3A)

Warning Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
