## Difference Description

FEDERAL COMMUNICATIONS COMMISSIONS

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046

FCC ID: 2BDTF-ELRF

Current Date: 2024-04-23

We, STEINER-Optik GmbH, Inc hereby declare that product name: Laser Range Finder, multi-listing model number: ePredator LRF 10x42 is (are) electrically identical to test model number: eRanger LRF 10x42 (such as layout of PCB, schematics, board layout, and internal structures etc.).

We declare that the products above are electrically identical, only difference in model number with same wavelength and power level for sale online or offline.

We guarantee all information above-mentioned is true, and notice that we'll bear all the consequences caused by any false information or concealing

*Note: The definition of identical should be "electrically identical". A device will be considered to be electrically identical if no changes are made to the device's schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device.*

Sincerely,  
  
Client's Signature
