<p>Solder Board-Component View 2</p>	 <p>A photograph of a green printed circuit board (PCB) component, likely a solder board, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters. The board features several components, including a large silver-colored connector or component on the right side and a smaller component in the center. The text 'Solder Board' is visible on the board.</p>
<p>Antenna View</p>	<p>433 Antenna</p>  <p>A photograph of the same green PCB component, viewed from the opposite side. A red box highlights a specific area on the board, and a red arrow points from the text '433 Antenna' to this area. The board is populated with various electronic components, including several small surface-mount components and a larger component. The text '433 Antenna' is visible on the board. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters.</p>
