Our company has spent a substantial effort in developing this product and it is one of the first of its kind in the industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

¹ - Tune up procedure is applicable only for licensed equipment. SDR Software is only applicable for licensed SDRs.
² - These items require further information to be provided to TCB before permanent confidentiality will be extended to these exhibits. Please refer to FCC [KDB 726920](#) and review section II, 3) regarding specific information (NDA) that must accompany these requests.
³ - Number of days can be listed up to 180 but should not go past the date of beginning of product marketing/sale.
⁴ - Any exhibits that may have already been requested to have "Permanent" confidentiality need not be repeated under Short-Term confidentiality request.
