Regarding FCC Country Code Selection guidelines identified in KDB 594280.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

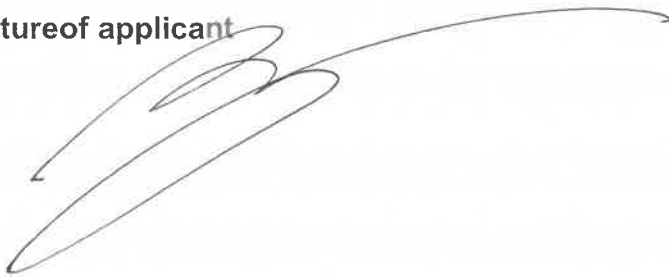

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

Name: Daniel Seo

Date: 4/19/2024

Title: Project Director

Signature of applicant

A handwritten signature in black ink, appearing to be 'Daniel Seo', written over the text 'Signature of applicant'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
