

Model: S1

<p><b>EUT Housing and Board View 1</b></p>	 A photograph showing the EUT housing and board. The housing is a black plastic shell, and the board is a green printed circuit board with various components. A black ruler with white markings is placed to the left and bottom of the components for scale. The ruler shows measurements in millimeters and centimeters.
<p><b>Solder Board-Component View 1</b></p>	 A close-up photograph of the solder board-component. The board is a green printed circuit board with various components. A black ruler with white markings is placed to the left and bottom of the component for scale. The ruler shows measurements in millimeters and centimeters.

<p><b>Solder Board-Component View 2</b></p>	 <p>A photograph of a small, irregularly shaped printed circuit board (PCB) component. The component is dark in color and features several gold-colored pads and components, including what appears to be a micro-USB port and some surface-mount components. It is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters.</p>
<p><b>Solder Board-Component View 3</b></p>	<p>6</p>  <p>A photograph of a cylindrical battery component with a silver-colored metal casing. The battery has some printed text on its side, including "3.7V" and "1000mAh". It is connected to a small PCB component with red and black wires. The assembly is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters.</p>
