## FCC Modular Approval Attestation

FCC ID: 2BEK7SFM11R2D is seeking FCC equipment authorization as

<input type="checkbox"/> Single Modular Transmitter
<input checked="" type="checkbox"/> Single Limited Modular Transmitter

### Product Information

Product Description:	Sigfox module	FRN:	0034759704
Model Name(s):	SFM11R2D	FCC Product ID:	N/A
		FCC Module ID:	2BEK7SFM11R2D

### Modular Checklist/Information

For Modular Approval, the module shall meet all the requirements listed below. Please check (☑) if the module complies with the stated requirement.

- The modular transmitter must have its own shielding.
- The modular transmitter must have buffered modulation/data inputs.
- The modular transmitter must have its own power supply regulation.
- The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(c).
- The modular transmitter must be tested in a stand-alone configuration.
- The modular transmitter must be labeled with its own FCC ID number.
- The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instruction along with the module to explain any such requirements.
- The modular transmitter must comply with any applicable RF exposure requirements.

\*Limited module note

1) The OEM manufacturer, responsible for installing this module into the host device, must ensure that end-users do not have access to the antenna and connector, in compliance with FCC Section 15.203.

2) The antenna used must be used in the specified antenna type and maximum antenna gain as listed in installation manual

If a module(s) does NOT meet one or more of the above listed requirements, the applicant may request Limited Modular Approval (LMA). For LMA, please state details about why the above requirement(s) could not be met; and state how control of the end product, into which the module will be installed, will be maintained by the applicant / manufacturer, such that full compliance of the end product is always ensured:
