

## SMART RGB STEHLEUCHTE

### Instruction Manual

2. Fernbedienung (Die Fernbedienung muss mit dem Controller von USB ausgerichtet werden während der Benutzung der Fernbedienung.)

3. App User Interface  
(1). Scannen Sie den QR-Code, um die App "Raingel" herunterzuladen, oder öffnen Sie die Appspeicher, suchen Sie "Raingel" und laden Sie die App herunter.

"Raingel" Es öffnet die Bluetooth Control Interface und verbindet sich automatisch mit dem Gerät.

#### Wie es funktioniert

Smart RGB Splicing Stellhebele Sensoren  
Rhythmus in Echtzeit durch eingebauter  
MC zum Synchronisieren mit Musik, Beleuchtung,  
Lichteffekte und ein ganzes Audio-Fest.  
Mehrere Gedankenkonfigurationen für Atmosphäre  
der verschiedenen Szenen wird weiter aufgespeichert.

#### Operation verwenden

1. Steuerempfänger  
Kurzer Druck: 16-fach ausschalten  
Kurze Drücken: Schalten Sie die Maschine im ausgeschalteten Zustand ein, und die Helligkeitseinstellung im eingeschalteten Zustand, und die Geschwindigkeit im dynamischen Modus einzustellen  
Lange Drücken für die Geschwindigkeit zwischen 19-Einstellungsmodi  
Doppelklick: Musikmodus eingeschalten, Kurzes Drücken um zwischen vier Wirkmodi zu wechseln

FCC Warning Statement  
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer or an experienced radio/TV technician for help.
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.

#### RF Exposure Statement

To maintain compliance with FCC's RF Exposure guidelines, This equipment should be installed and operated with minimum distance of 20cm the radiator your body. This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter.

2. Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3. App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.

"Raingel" Es öffnet die Bluetooth Control Interface and automatically connect to the device.

2, Remote control (The remote must be aligned with the controller of USB line while using the remote.)

3, App User Interface  
(1). Scan the QR code to download the app "Raingel", or open App Store, search "Raingel" and download the app.
