

M400 Pouch Label

Cardiac Insight
2375 130th Ave. NE Suite 101
Bellevue, WA USA
FCC ID: 2BEOW-M400

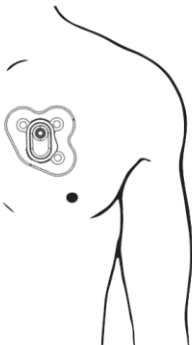

February 16, 2024

The M400 patient wearable Sensor is too small to accommodate the labeling requirements, The product labeling is instead printed on the pouch used to store the M400 sensor prior to use. A copy of the pouch label is shown below.

M400 Pouch Label
