

Since the product is small enough to be ingested by a cow, the FCC ID will be displayed in the user manual (as shown in the screenshot below) on page 16 and on the package.

Model #: FF-C2G-1.0-915
FCCID: 2BEWM-FFC2G1915

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
