Re: FCC ID: 2BFIB-ESPWROOM32UE

To Whom It May Concern:

The following application is submitted on behalf of our client, Evident Scientific, Inc, for evaluation of their model ESPWROOM-32UE for a C2PC certification under FCC Part 15.247.

The C2PC is to address integration into portable host device 39DL Plus.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
