Re: FCC ID: 2BFJB-ESPC3MINI1

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensidyne, LP, for evaluation of their model GCP-ESPC3MINI1 for a C2PC certification under FCC Part 15.247.

C2PC is to address integration of the module into the Go-Cal Pro portable host device.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
