Side View

A photograph of a metal punch tool, likely a jeweler's punch, positioned vertically next to a white ruler for scale. The tool has a black, textured handle at the bottom, a long, thin, silver-colored metal shaft in the middle, and a sharp, pointed metal tip at the top. The ruler is marked in centimeters (0 to 15) and inches (0 to 1). The punch tool's length is approximately 10 cm. The background is a plain, light-colored surface.
