

Shenzhen GuangShunMeng Technology Co., LTD.

## Model Confirmation Letter

We, Shenzhen GuangShunMeng Technology Co., LTD., certify the product: DashCam, Model No.: A313, A311, A339, A341, A349, A394, A399, A994, V339, V349, V394, V399, V994

There are multiple models of the product, and the difference between these models is the difference in appearance (camera position difference), but the PCB, BOM, etc. of the main board circuit and button circuit of the product are the same. Therefore, it is believed that the series model can be used, with the main test being A313.
