

2.4G WIFI
Antenna

A photograph of a small, black, rectangular electronic device, likely a microcontroller board, placed on a blue surface. The device features a USB port, a micro-USB port, and several pins. A ruler is visible on the left side, showing measurements in centimeters and millimeters.

A photograph of a small, black, rectangular electronic device, likely a microcontroller board, placed on a blue surface. The device features a central square chip, several smaller components, and four orange circular markings. It is positioned next to a ruler for scale, with the ruler showing centimeters and millimeters.
