Dear FCC,

We believe Section 2.911(d)(5)(i) and 2.911(d)(5)(ii) of the rules has been met with the signed attestation provided by the Grantee (CM PARTNER). The cover letter does state the device is not on the covered list and the applicant is not an affiliate or subsidiary of any entity identified on the covered list.

The signed attestation was uploaded to the FCC database on June 28, 2024, please refer to the exhibit list confirmation attached with this response. The FCC database for this e-filing (TC892335) does contain the covered list attestation.

Please clarify if the signed attestation is not sufficient and if any additional information is necessary.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Sanchez". The signature is fluid and cursive, with the first name and last name clearly distinguishable.
