**Solder Board-Component View 1**

<p><b>Solder Board-Component View 2</b></p>	 <p>A photograph of a populated printed circuit board (PCB) with various electronic components. The board is placed on a blue textured surface. A black ruler with white markings is positioned to the left and bottom of the board, showing measurements in millimeters. The board features a large central chip, several smaller components, and a connector on the left edge. The text 'C329_M0_V1.1' is visible on the board.</p>
<p><b>Solder Board-Component View 3</b></p>	 <p>A photograph of the same PCB as in View 2, but showing the reverse side. The board is populated with components, including a large central chip and various smaller components. A black ruler with white markings is positioned to the left and bottom of the board, showing measurements in millimeters. The board features a large central chip, several smaller components, and a connector on the left edge.</p>
