Our company has spent a substantial effort in developing this product and it is one of the first of its kind in the industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

When the device is marketed before the requested number of days listed above, the grantee will inform the TCB to release the Short-Term Confidentiality information withheld on the FCC equipment authorization website (if any).

The above information contains trade secrets and proprietary information not customarily released to the public. The public disclosure of this information might be harmful to the applicant and provide unjustified

benefits to its competitors. The Applicant understands that pursuant to Rule [0.457\(d\)\(1\)\(ii\)](#), disclosure of this Application and all accompanying materials will not be made before the date of the Grant for this Application.

Sincerely,
