EUT View 6

EUT View 7	 A top-down view of a black, rectangular electronic device. The device has a circular cutout in the center of its top surface. A yellow measuring tape is placed horizontally below the device, showing measurements in centimeters. The device is resting on a light-colored, textured surface.
	 A close-up view of the bottom panel of the device. The panel is black and features several ports and labels. On the left, there are two circular ports labeled 'R' (red) and 'L' (white) under the heading 'SPEAKER'. To the right of these is an 'AUX-IN' port. Further right is a 'DC 12V' power input port with a symbol indicating a DC connection. On the far right, there is a small circular sticker that reads 'QC 1 PASS'. The device is resting on a wooden surface.
