**PROPOSITION 65 WARNING:** Battery posts, terminals, and related accessories contain lead and lead compounds. These chemicals are known to the state of California to cause cancer and reproductive harm. Batteries also contain other chemicals known to the state of California to cause cancer. **Wash hands after handling.**

**TRANSPORTATION:** Classified DOT Class 60 dry cell. Meets air transportation requirements for air transport under title 49CFR173.159(d) and special provision A67 as decreed by IATA and ICAO. Do not tip or open.

**WARNINGS:** Risk of fire, explosion, or burns. Keep out of reach of children. Sulfuric acid can cause blindness or severe burns. Flush eyes immediately with water. Do not disassemble or heat above 65°C (149°F) or incinerate.

**FCC Part 15.19:** This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
