

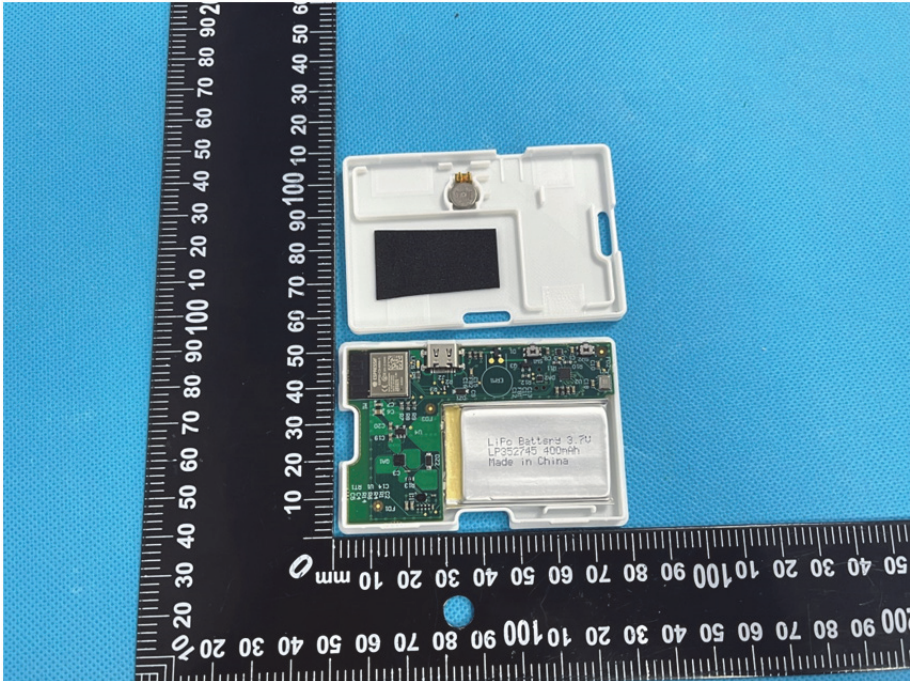

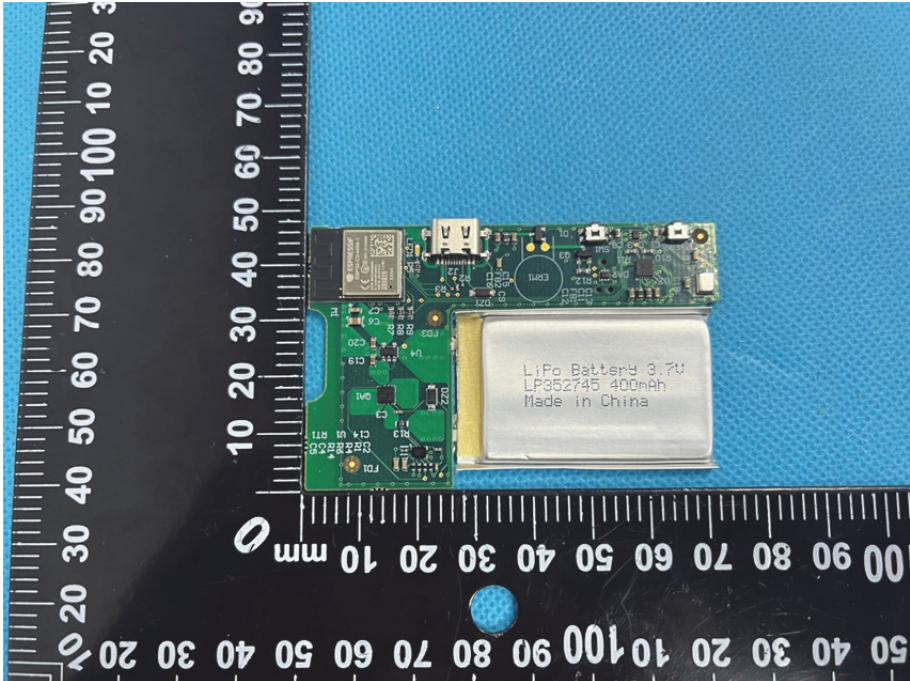

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 <p>This photograph shows the external components of the EUT. At the top is a white plastic housing with a circular opening. Below it is a green printed circuit board (PCB) populated with various electronic components. A prominent feature is a silver LiPo battery with the text "LiPo Battery 3.7V LP352745 400mAh Made in China". A black ruler with white markings is placed vertically to the left of the components for scale, showing measurements in millimeters.</p>
<p>Solder Board-Component View 1</p>	 <p>This photograph provides a closer view of the PCB components. The silver LiPo battery is clearly visible, with its label "LiPo Battery 3.7V LP352745 400mAh Made in China". The green PCB is densely packed with components, including a black integrated circuit (IC) with a circular logo, several resistors, and capacitors. A black ruler with white markings is positioned vertically to the left of the board for scale, showing measurements in millimeters.</p>
