To whom it may concern,

We hereby attest that an RF exposure assessment has been addressed to the model NTG7 PREMIUMPLUS LFT2, covering all NTG7 family products.

Due to the similarities with the rest of NTG7 variants, this RF Exposure is also applicable to the rest of NTG7 products, described above.

Furthermore, there is a declaration behind this statement that has been provided additionally. An RF exposure assessment has been delivered to back up the SAR exclusion of the unit.

Sincerely,
