**In re: NEC Technologies Inc.  
FCC ID: A3DCDR-1901A  
FCC Class B - Certification  
Form 731 Confirmation No: EA89117**

To Whom It May Concern:

Transmitted herewith, on behalf of NEC Technologies Inc., is an amendment to correct an error on Form 731 of the above-referenced application. When submitting the Form 731 in electronic format on 5/1/98, the Equipment Code was inadvertently stated as JBC (Class B Computing Device - Personal Computer). The correct Equipment Code for this device is JBP (Class B Computing Device - Peripheral).

We respectfully request that the Equipment Code on the Form 731 be corrected to JBP. If there is further action we are required to take to correct this matter, please inform us (e-mail: [randy@pctestlab.com](mailto:randy@pctestlab.com)). Thank you.

If you have any questions regarding the above, please do not hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Hughes", with a long horizontal line extending to the right.
