Gentlemen:

This letter is to comply with Section 0.457(d)(2)(i) and 0.459 pertaining to confidential material. We, Samsung Electronics, would like the following documents regarding this submission for FCC ID: [A3LHMX-S16BN](#) to be kept confidential.

1. Schematics
2. Operating description
3. Block Diagram
4. Parts List

The above material contains trade secrets or technical data, which would customarily be guarded from competitors. We do not want these documents to be accessible to the general public. In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices.

We are requesting the commission to grant short-term confidentiality request on the following attachments for 45 days from the date of grant. This request is because this equipment will be launched later and we do not want to veil our design both external and internal to the public before official launching.

- User manual
- External photos, Internal photos
- Test setup photo

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

A handwritten signature in black ink, appearing to be "Sang Kyung (Peter) Ra".
