FCC ID: A3LHS10

To Whom It May Concern:

We would like to request the dismissal all of the approved models FCC ID: A3LHS10 which has been issued in 2013, the date of grant is 06/05/2013.

Those devices (EI-HS10 certified under FCC ID: A3LHS10) have not been sold in any country, included USA.

Antenna performance of EI-HS10 is improved better than before.

Due to reasons, we will propose the FCC Certification as a new application with the same FCC ID.

If you have any questions or comments concerning the above, Please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Seoyeon Park".
