**Request for Tech. Info.: 7/03/02**

Dear Martin:

Due to PCTEST internal audit, transmitted herewith, on behalf of **Samsung Electronics Co., Ltd.** is an amendment provided in response to the request for technical information dated June 20, 2002.

1. Please find the attached SAR summary data and plots for 800MHz tilt tests, and body with the standard battery.
2. PCTEST has sent details of probe calibrations for the IDX system to the FCC in a separate correspondence on October 25, 2002.
3. The confidential flag on all SAR related exhibits was removed on July 26, 2002.

We trust this information is sufficient to resolve FCC questions in this application. We apologize for the delay in the correspondence response. If you have any further questions, please do not hesitate to contact us.
