**In re: Samsung Electronics Co., Ltd.  
FCC ID.: A3LSCWR5000  
Wireless Local Loop Terminal (CDMA)  
Request for Confidentiality**

To whom it may concern:

In accordance with 0.459 of CFR 47, Samsung Electronics Co., Ltd. Requests confidentiality of the Block Diagram/Schematics/Circuit Description Attachments in the attached test report.

These documents contains detailed system and equipment description and related information about the product which Samsung Electronics Co., Ltd. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Samsung feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

Ben Kim  
Engineering Manager
