## Samsung mobile products and recycling

**WARNING!** Never dispose of batteries in a fire because they may explode. Do not disassemble, crush, puncture, heat, burn or reuse batteries. For more information, visit: [www.samsung.com/recycling](http://www.samsung.com/recycling) or call 1-800-SAMSUNG.

## FCC Part 15 Information and Notices

This device complies with part 15 of the FCC Rules. Operation is subject to conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Operate devices that support wireless power sharing at least 8 inches/20 cm away from your body.

## FCC Hearing Aid Compatibility (HAC) regulations for wireless devices

The FCC established requirements for devices to be compatible with hearing aids and other hearing devices. For more information, visit [www.fcc.gov/consumers/guides/hearing-aid-compatibility-wireline-and-wireless-telephones](http://www.fcc.gov/consumers/guides/hearing-aid-compatibility-wireline-and-wireless-telephones)

## HAC for newer technologies

This device has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this device that have not been tested yet for use with hearing aids. It is important to try the different features of this device thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this device for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or device retailer.

## Emergency calls

Emergency calls may not be possible on all wireless mobile device networks or when certain network services and/or mobile device features are in use. Check with local service providers. If certain features are in use (e.g. call blocking) you may first need to deactivate those features before you can make an emergency call.

## Smart practices while driving

Samsung is committed to both promoting responsible driving and giving drivers tools to address distractions. For more information, visit [www.samsung.com/us/support/legal/mobile](http://www.samsung.com/us/support/legal/mobile) then select **Health and Safety Information** > **Smart practices while driving**

## Responsible listening

**CAUTION!** Avoid potential hearing loss by not exposing yourself to loud sounds for a prolonged period of time. For more information, visit [www.samsung.com/us/support/legal/mobile](http://www.samsung.com/us/support/legal/mobile) then select **Health and Safety Information** > **Responsible listening**

## Pacemaker and implantable medical devices
