15.19 statement ("This device complies with part 15 of the FCC Rules.		Yes
<i>Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any</i>		
interference received, including interference that may cause undesired		
operation.")		
Class A / B Digital Device user manual statements ¹		Yes
DoC declaration ¹		
Caution to the user that changes or modifications not expressly approved		Yes
by the party responsible for compliance could void the user's authority to		
operate the equipment ¹		
Describe any other FCC regulatory information included in e-label ¹		
¹ If the e-label includes information typically included in the manual then the e-label shall clearly		
differentiate between information required to be on the device's surface and information required to be in the manual – refer to 784748 D02 e labelling v01 section II D 3(b)		

Images of the e-label screen are provided below:

FCC ID : A3LSMS916B

B. Access to the required information on the e-label

1. Users are able to access the information in no more than three steps in a device's menu. The actual steps are:

Settings > About Phone > Status Information

No special access codes or permissions are required to go through the above steps beyond entering a userdefined password to protect against unauthorized access to the device.

2. The information is stored on the device, no special accessories or supplemental plug-ins *(e.g., a SIM/USIM card)* are required to access the information.

3. Users are provided specific instructions on how to access the information. The information is provided in the user manual(P.172).
