**SUBJECT: Samsung Electronics Co., Ltd.**  
**FCC ID : A3LSMZ400Y**  
**Class II Permissive Change**  
**Orig. Grant Date: March 28, 2017**

This is to request a Class II permissive change for FCC ID: A3LSMZ400Y.

The device is identical to the original approval Single SIM type except SIM type.  
The only change is to add Dual SIM type model(SM-Z400Y/DS), and that based on EMC and SAR measurements performed for all operating bands.  
The only degradation was WLAN SAR Head exposure conditions from original Grants.  
Therefore the updated SAR report for WLAN Head exposure conditions was submitted for C2PC.

Sincerely,
