**Class II Permissive Change**  
**Orig. Grant Date: October 23, 2007**

Gentlemen:

Transmitted herewith is an application for a Class II Permissive Change Certification of the Cellular/PCS CDMA Phone with Bluetooth.

The device is identical to the previously certified Cellular/PCS CDMA Phone with Bluetooth except for the proposed modification consists of including a body-worn accessory available for the device. A SAR report is provided showing compliance of the EUT with the new accessory. Please note that these tests were initially performed at the time of the original filing test dates, but the accessory was not released for mass marketing by the manufacturer until this time.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "A. J. Kim".
