Subject: Camero Certification Application, FCC ID: A42X400F

To Whom It May Concern:

Camero requests that the following exhibits will be withheld from public disclosure:

- Schematics
- Parts List
- Block Diagrams
- User Manual
- Internal photos
- Theory of operation

The XAVERTM400 is not a consumer product therefore all of these exhibits are not in the public domain. The material for which confidentiality is sought contains highly confidential, proprietary intellectual property and know-how which was developed by Camero with private funds over the last seven years, this material, if made public will hurt Camero considerably in the existing competition in the market place.

Thank you for your attention to this matter.

Sincerely,

Dr. Ron Daisy

Camero VP R&D.
