| <p>Solder Board-Component View 1</p> |  A photograph showing a small, green PCB component. The component has a rectangular shape with rounded corners and several circular holes. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 40 mm and its width approximately 20 mm. The component has a silver-colored metal pad on one side and a small black component on the other. |
| <p>Solder Board-Component View 2</p> |  A photograph showing the same green PCB component from a different angle. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 40 mm and its width approximately 20 mm. This view shows more detail of the component, including a silver-colored metal pad, a small black component, and a yellow connector. The component has a rectangular shape with rounded corners and several circular holes. |
