Dear Sir,

Our GSM mobile phone Model No.: GALA P730 have already applied FCC certificate. The FCC ID is A4JGALAP730.

Very sorry reminder that we had provided wrong version of the user manual, the original manual did not exactly match the device we are going to sell. For market purpose, we strongly urge the replacement of the latest version of the manual, as appropriate to deal with the matter. Have any questions, please contact us.

Thank you very much.
