NextNav, LLC has spent substantial effort in developing this product and it contain secrets, proprietary and technical information, which would customarily be guarded from competitors under FCC 47 CFR sections listed above. Disclosure or publication or any portion of this company confidential information to other parties could cause substantial competitive harm, results in financial hardship and provide unjustified benefits for competitors.

The applicant requests that the exhibits selected above as short term confidential be withheld from public view for a period of 180 days from the date of the Grant of equipment Authorization and prior to marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to public. Applicant is also aware that they are responsible to notify ACB in the event the information regarding the product or the product is made available to the public. ACB will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04-1705.

Date: 09/23/13
