7435 Oakland Mills Road
Columbia, MD 21046

Date: May 12, 2015
FCC ID: A4R-WT1
Subject: WLAN/Bluetooth Combination Antenna

To Whom It May Concern:

WT1 is a WLAN/Bluetooth combination antenna with **FCC ID A4R-WT1**. WT1 has a WLAN/Bluetooth co-existence mechanism that ensures that the WLAN and Bluetooth transmitters do not operate simultaneously. Although users can use WLAN and Bluetooth at the same time, WLAN and Bluetooth operate by time-sharing and do not overlap transmission. The WLAN and Bluetooth antenna in **FCC ID A4R-WT1**, therefore, should not be considered to be able to transmit simultaneously.

Please contact me with any questions.

Sincerely yours,
