Columbia MD 21046

Date: November 12, 2019  
Subject: Application for Class II Permissive Change for FCC ID **A4RG020C**

Dear Examiner,

A Class II Permissive Change is requested for FCC ID: **A4RG020C**, Model: **G020C** (approval date: **02/25/2019**).

Please refer to the attached confidential document "A4RG020C Operational Description 2" for details of the changes.

The design and implementation and software security remain identical to the original filing. None of the changes affect the maximum power values and frequency ranges listed on the grant, or degrade spurious emissions or HAC values. The only changes to be reported are related to RF exposure as detailed in the SAR report and associated exhibits submitted with this C2PC filing.

Please do not hesitate to contact me with any questions about this submission.

Sincerely,

A handwritten signature in blue ink, appearing to read "John McNulty", is located below the "Sincerely," text.
