Subject: UNII 6GHz Attestation per FCC KDB 987594 D01 v01r02 Appendix B

FCC ID: A4RG1AZG

To Whom It May Concern:

We, Google LLC, attest that this device under FCC ID A4RG1AZG complies with device protocol requirements and operational restrictions for indoor client 6XD.

Device Protocol Attestation Statement for Indoor Client 6XD:

- a. The device will only associate and connect with a low-power indoor access point (AP) or subordinate device and never directly connect to other client devices.
- b. This device will always initiate transmission under the control of a low-power indoor AP or subordinate device except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate device operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP it will not continually repeat the request.
- c. Transmissions will be lower or equal to the power advertised by the indoor low-power AP or subordinate device and never above the maximum output power allowed by the FCC grant for equipment class 6XD.

Understanding of Statement acknowledging device restrictions:

- a. We acknowledge the prohibition on control of or communications with unmanned aircraft systems, including drones.

If you have any questions, please do not hesitate to contact us.

Sincerely yours,

*Angie Du*
