Federal Communications Commission  
Equipment Authorization branch  
7435 Oakland Mills Road  
Columbia, MD 21046

Date: September 19, 2016  
Subject: FCC Agent Authorization Letter  
FCC ID: A4RH0ME

To whom it may concern:

I, the undersigned, hereby authorize UL Verification Services Inc. to act on Google Inc.'s ("Google") behalf in all manners relating to application for equipment authorization, including signing of all documents relating to these matters. Any and all acts carried out by UL Verification Services Inc. on Google's behalf shall have the same effect as if Google carried out these acts itself.

I, the undersigned, hereby certify that Google not subject to a denial of federal benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

In authorizing UL Verification Services Inc. as Google's representative, Google continues to recognize the following responsibilities:

- a) to comply with the relevant provisions of the certification program;
- b) to make all necessary arrangements for the conduct of the evaluation, including for examining documentation and access to all areas, records (including internal audit reports), and personnel for the purposes of evaluation (e.g., testing, inspection, assessment, surveillance, reassessment) and resolution of complaints;
- c) to make claims regarding certification only in respect of the scope for which certification has been granted;

- d) not to use Google's product certification a manner that would bring the Certification Division into disrepute and not to make any statement regarding Google's product certification that the Certification Division may consider misleading or unauthorized;
- e) upon suspension or cancellation of certification, to discontinue use of all advertising matter that contains any reference thereto and return any certification documents as required by the Certification Division;
- f) to use certification only to indicate the products are certified as being in conformity with specified standards;
- g) to endeavor to ensure that no certificate or report nor any part thereof is used in a misleading manner;
- h) to ensure that any reference to the product certification in communication media such as documents, brochures, or advertising, complies with the requirements of the Certification Division;
- i) to keep a record of all complaints made known to the Google relating to the product's compliance with requirements of the relevant standard and to make these records available to appropriate authorities when requested;
- j) to take appropriate action with respect to such complaints and any deficiencies found in products or services that affect compliance with the requirements for certification; and
- k) to document the actions taken.

This authorization is valid until further written notice from Google.

Sincerely Yours,

Warwick Wong
