| <p>Solder Board-Component View 3</p> |  A photograph showing a small, dark, rectangular component with a gold-colored contact area, mounted on a blue textured surface. The component is positioned next to a black L-shaped ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 10 mm and its width approximately 5 mm. The component has some faint markings, including the number '100' and a small circular mark. |
| <p>Solder Board-Component View 4</p> |  A photograph showing the same component as in View 3, but from a different angle. The component is now oriented vertically, showing its gold-colored contact area more clearly. The ruler is also oriented vertically, showing measurements in millimeters. The component's height is approximately 10 mm and its width is approximately 5 mm. The component has some faint markings, including the number '100' and a small circular mark. |
