

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 <p>A photograph showing a black, rounded rectangular device and a black cable with a yellow tape around its middle. The device has the word "SPROUT" printed on its front. The cable has a USB-A connector on one end and a USB-C connector on the other. A black L-shaped ruler is placed next to the device and cable for scale. The ruler shows measurements in millimeters and centimeters. The background is a light blue textured surface.</p>
<p>EUT View 2</p>	 <p>A close-up photograph of the black device from View 1. The device is rounded and has the word "SPROUT" printed on its front. A black L-shaped ruler is placed next to it for scale. The ruler shows measurements in millimeters and centimeters. The background is a light blue textured surface.</p>

EUT View 3

EUT View 4

<p>EUT View 5</p>	 A photograph of a black electronic component, likely a USB dongle, with a cylindrical protrusion. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component is positioned at approximately 100 mm on the vertical ruler and 100 mm on the horizontal ruler. The component has some small text and symbols on its base, including a CE mark and a recycling symbol.
<p>EUT View 6</p>	 A photograph of the same black electronic component from a different angle. It is placed on the same blue textured surface next to the same black L-shaped ruler. The component is positioned at approximately 100 mm on the vertical ruler and 100 mm on the horizontal ruler. The cylindrical protrusion is more prominent in this view.
