

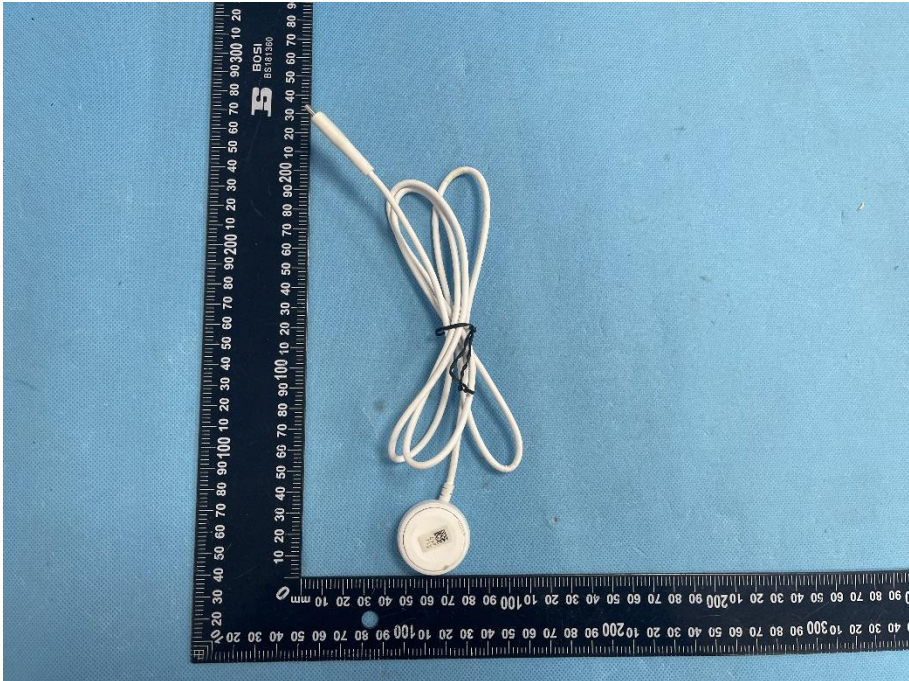

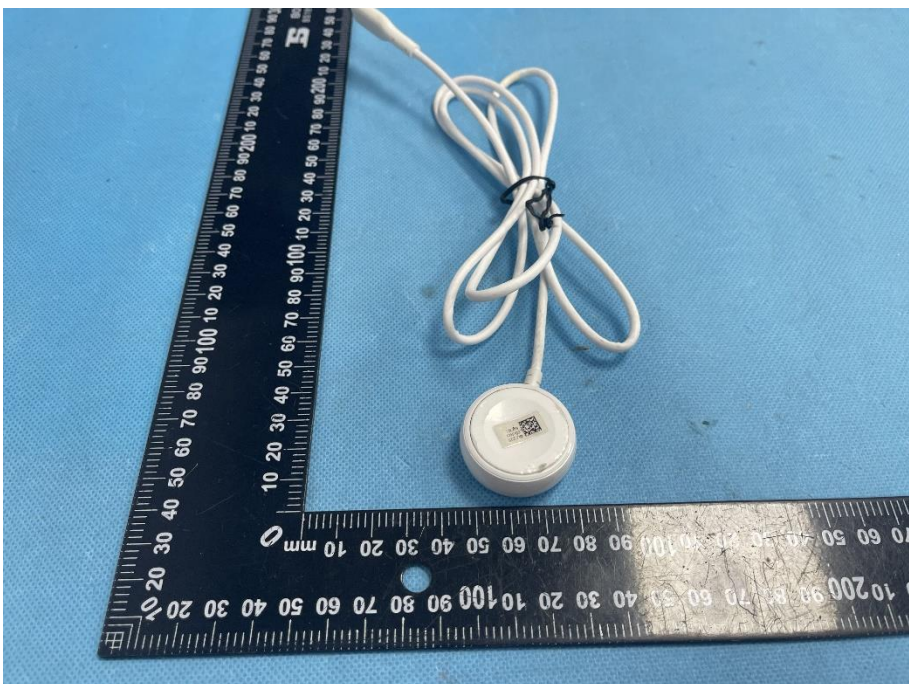

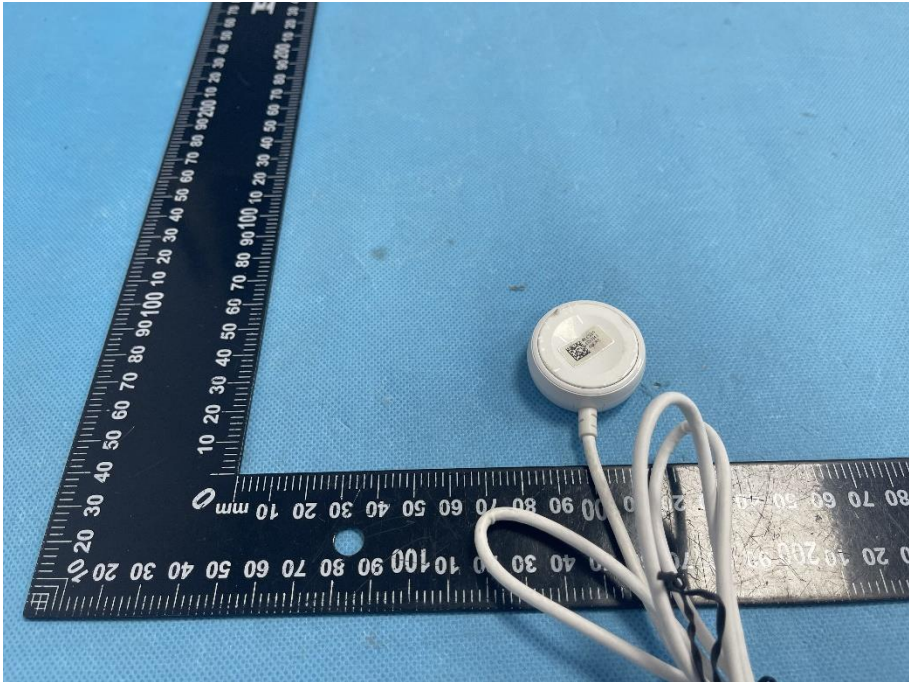

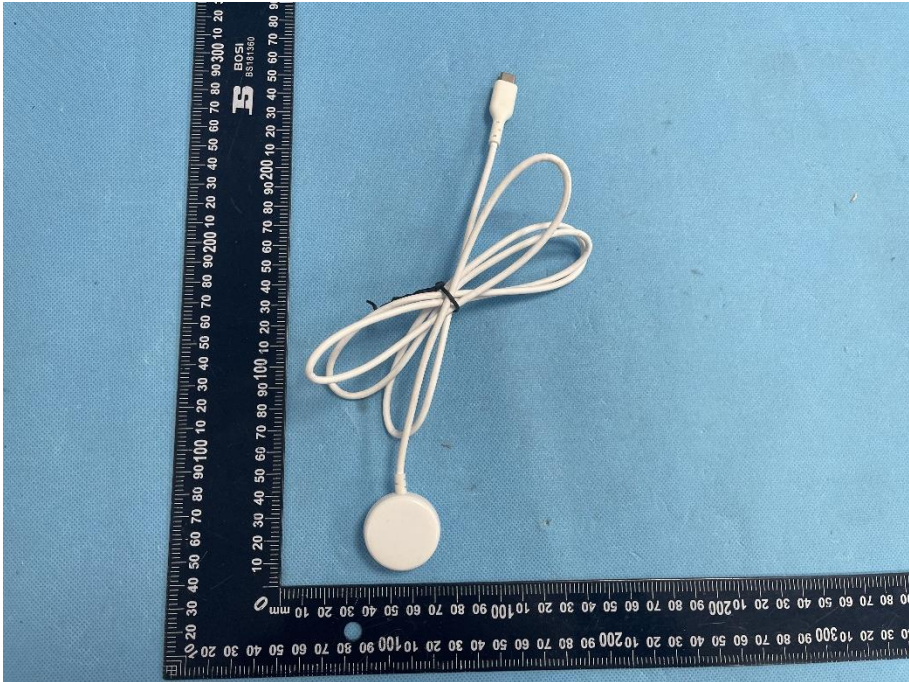

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A photograph showing a white external unit (EUT) with a circular base and a coiled white cable. The device is placed on a blue fabric surface next to a black L-shaped ruler for scale. The ruler has markings in millimeters and centimeters. The circular base of the device has a small label with a QR code.
<p>EUT View 2</p>	 A second photograph of the same EUT device from a slightly different angle. It shows the white cable coiled and attached to the circular base. The device is positioned next to the same black L-shaped ruler on a blue fabric background. The circular base features a QR code label.

<p>EUT View 3</p>	
<p>EUT View 4</p>	

<p>EUT View 5</p>	 A photograph showing a white cable with a circular white component. The cable is coiled and secured with a black zip tie. The circular component has a small label with a QR code. The entire assembly is placed on a blue textured surface next to a black ruler with white markings for scale.
<p>EUT View 6</p>	 A photograph showing the same white cable and circular component from a different angle. The USB-A connector is visible at the top. The cable is coiled and secured with a black zip tie. The circular component is at the bottom. The entire assembly is placed on a blue textured surface next to a black ruler with white markings for scale.
