

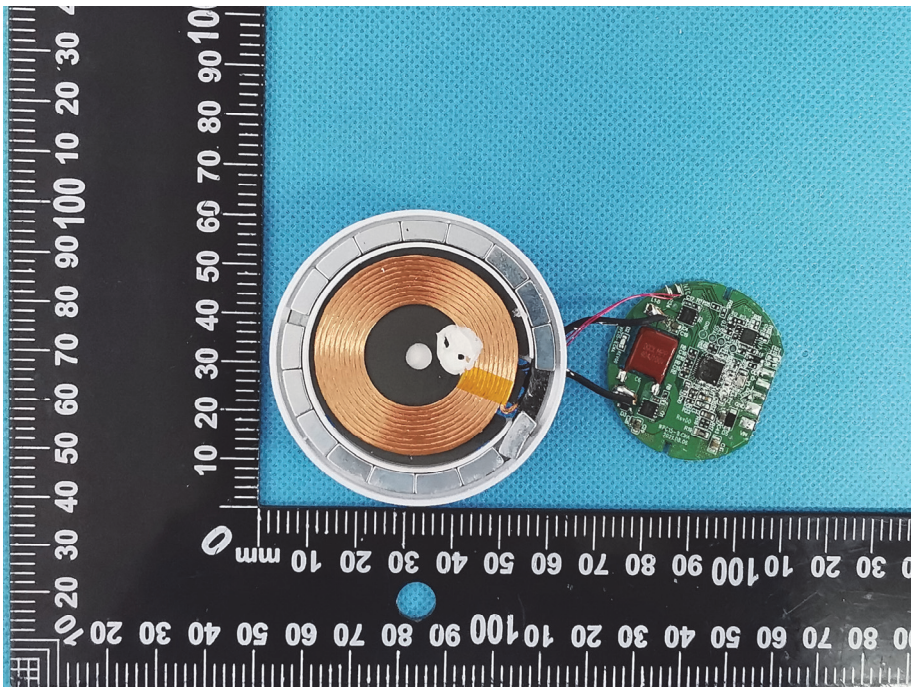

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>EUT Housing and Board View 1</b></p>	 <p>A photograph showing the disassembled EUT housing and board. The housing is split into two halves, one of which is white and the other is silver. A white cable is connected to the housing. A circular board with a copper coil and a small white component is visible. A ruler is placed below the components for scale, showing measurements in millimeters.</p>
<p><b>EUT Housing and Board View 2</b></p>	 <p>A photograph showing a close-up view of the EUT housing and board. The housing is silver and contains a copper coil and a small white component. A green printed circuit board (PCB) is connected to the housing. A ruler is placed below the components for scale, showing measurements in millimeters.</p>
