

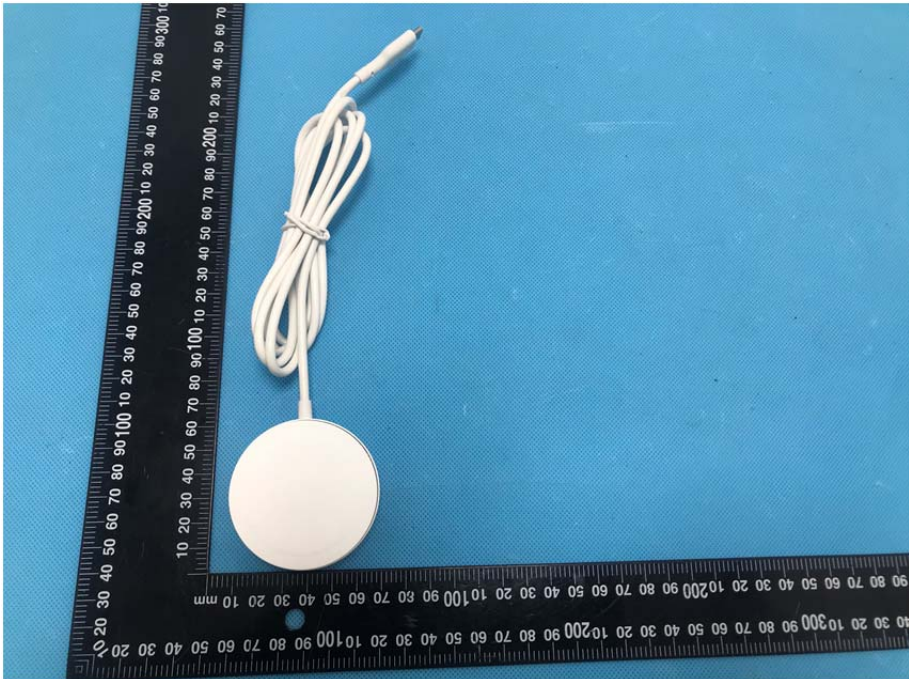

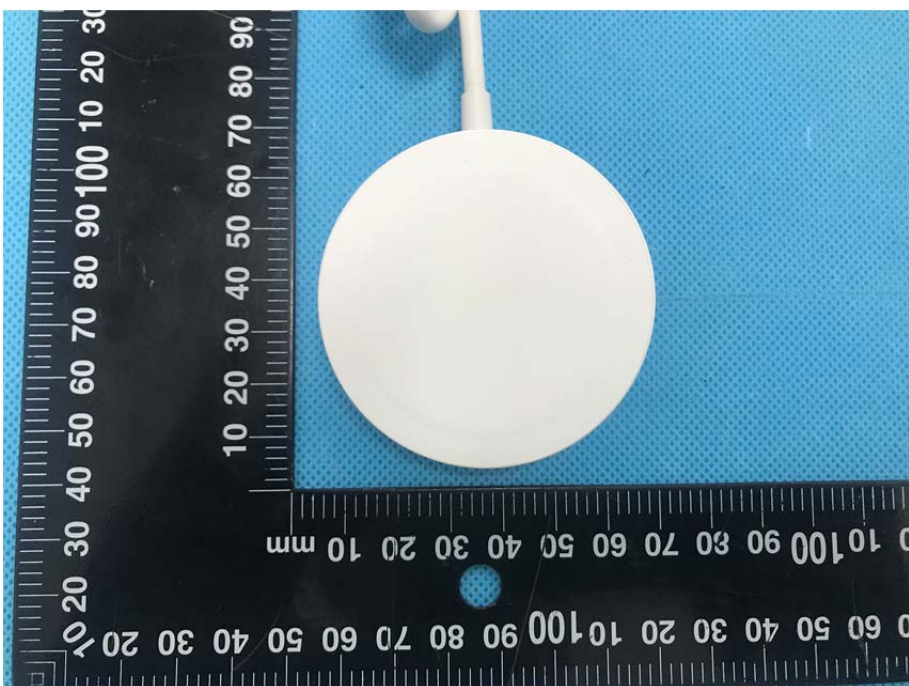

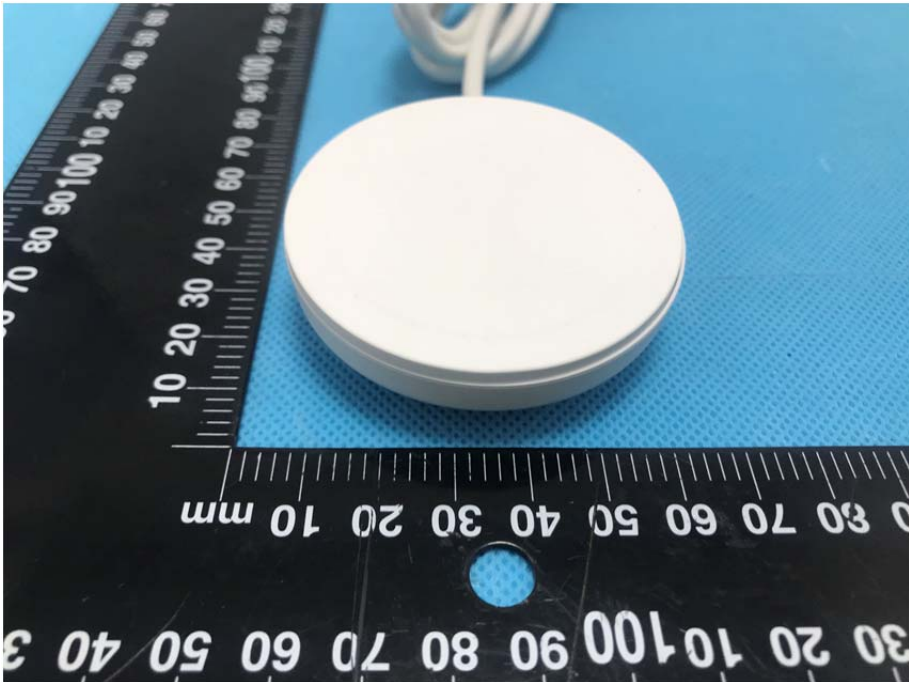

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 <p>A photograph showing a white, circular external unit (EUT) with a white cable. The unit is positioned on a blue textured surface. A black ruler is placed vertically to the left of the unit, showing measurements in millimeters. The unit's diameter is approximately 40 mm. The cable is coiled and extends upwards from the top of the unit.</p>
<p>EUT View 2</p>	 <p>A close-up photograph of the white circular external unit. The unit is centered in the frame, showing its smooth, slightly reflective surface. A white cable is connected to the top edge of the unit. A black ruler is placed horizontally below the unit, indicating its diameter is approximately 40 mm. The background is the same blue textured surface as in View 1.</p>
